Examiner's Amendment

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it must be submitted no later than the payment of the Issue Fee.

In claim 5, line 1, "4" has been deleted between "Claim" and "19".

This amendment does not affect the scope of the claim but merely corrects a typographical error. Applicant changed the dependency of claim 5 from claim 4 to 19 but apparently forgot to strike through the numeral 4 when transcribing amended claim 5.
